Sri Gopal Krishna Labs Pvt. Ltd.

We are well renowned, distinguished bio pharmaceutical company manufacturing and marketing AbGel - Absorbable Gelatin Sponge USP in India. Our organization has been established in the year 1972. The organization is promoted by a group of young professionals with varied experience in production, marketing and finance.

We have the manufacturing unit of 10,000 sq. ft. at Mumbai, India. The unit is provided with all state-of-the art facilities as per standard of Schedule-M recommended & approved by Food & Drug Authority of India.

AbGel - Absorbable Gelatin Sponge USP is a surgical haemostatic sponge, manufactured from highly purified neutral gelatin of pharmaceutical grade. Pharmaceutical gelatin has superior haemostatic capabilities and is totally absorbed, with no residue and no encapsulation.

Sri Gopal Krishna Labs Pvt. Ltd. is a responsible and quality conscious company with a focus on presenting cost effective wound care product to the patients who are fighting for their lives with hope of being cured.

Since 1972 our brand name "AbGel" is considered as a symbol of "Best Quality Product"

Sri Gopal Krishna Labs Pvt. Ltd. has clear record of more than 35 years of marketing AbGel - Absorbable Gelatin Sponge USP with No-Conviction at all.
